Claims Made

Section – Professional Indemnity of this Policy operates on a ‘claims made and notified’ basis. This means that Section – Professional Indemnity only Covers You for Claims first made against You and notified to Us during the Period of Insurance. Section – Professional Indemnity does not provide Cover for:

- any Claim that arises out of acts, errors, omissions or conduct occurring or committed before the Retroactive Date stated in the Schedule (if such a date is actually stated);
- any Claims made, threatened or intimated against You prior to the commencement of the Period of Insurance;
- any Claims made, threatened or intimated against You after the expiry of the Period of Insurance (even if the act, error, omission or conduct giving rise to the Claim may have occurred during the Period of Insurance) unless the facts that gave rise to that Claim were notified to Us during the Period of Insurance; or
- Claims arising from facts or circumstances of which You first became aware of prior to the Period of Insurance and which You knew or ought reasonably to have known had the potential to give rise to a Claim.

Where You give notice in writing to Us of any facts or circumstances that may give rise to a Claim against You as soon as reasonably practical after You first become aware of those facts or circumstances but before the expiry of the Period of Insurance, You may have rights under Section 40(3) of the Insurance Contracts Act 1984 to be indemnified in respect of any Claim subsequently made against You arising from those facts or circumstances notwithstanding that the Claim is made after the Period of Insurance has expired. Any such rights arise under the legislation only. The terms of Section – Professional Indemnity and the effect of Section – Professional Indemnity are that You are not Covered for Claims made against You after the expiry of the Period of Insurance.
